The Fortel Family's success comes from our commitment to quality. Every Fortel's pizza is **HANDMADE FROM SCRATCH** using only the finest and freshest ingredients we can acquire. Every year we select only the finest California vine-ripened tomatoes to create our famous pizza sauce. Our exclusive meats, including our family recipe sausage and hamburger as well as our pepperoni and Canadian bacon are made to our exact specifications and available only at our family restaurants. Our House mozzarella, also exclusive to only us, comes from dairies we have used for over 25 years. Lastly, our dough is still made fresh from scratch, in house, **EVERYDAY**. You will know with every bite that each pizza was made to order and just like you expect, with care and attention.
